MY GOALS AND MY
PLANS TO CONTRIBUTE
GROWTH AND SUCCESS
**AS A
VICE-
CHAIRMAN**

HELLO

I am a 24-year-old student pursuing a degree in 4th year Electromechanical Engineering (Mechatronics).

I am excited to present my candidacy for the position of IEEE RAS Chapter Vice-chairman.

// Throughout my academic career, I have demonstrated a strong interest in the field of Robotics and Automation Systems, and I am eager to contribute my knowledge and skills to the IEEE RAS community //

SWOT ANALYSIS

STRENGTHS

- Strong academic background in electromechanical engineering, mechanical conception (SolidWorks), electrical conception, AI and ML, and embedded systems
- Passionate about robotics and automation systems with much experiences
- Good communication and interpersonal skills

OPPORTUNITIES

- Networking opportunities through IEEE RAS Chapter
- RAS ROBOT 2.0
- Winning line follower's competition
- Winning line off-road's competition

WEAKNESSES

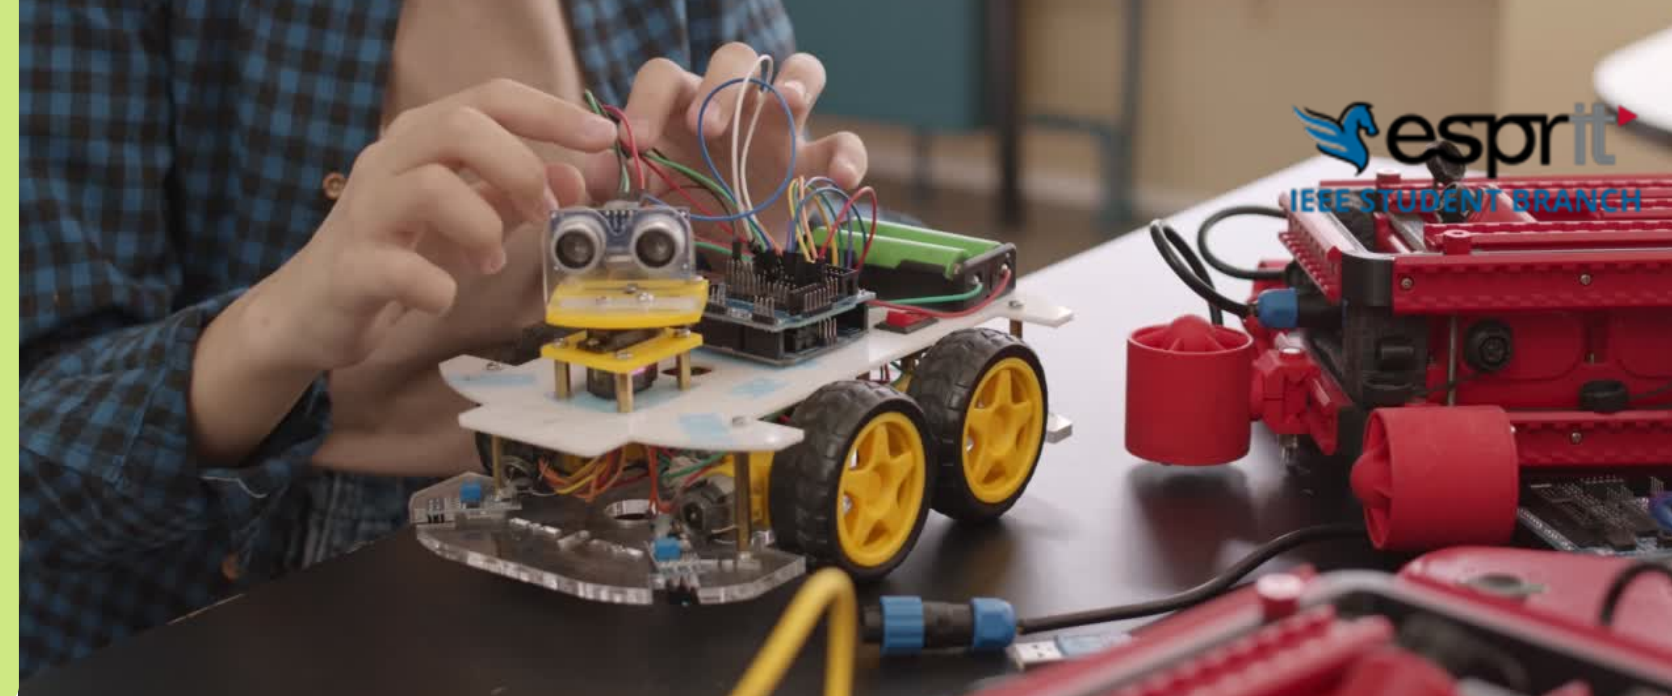

- Need to further develop some technical skills in certain areas
- Lack of experience of members in robotics.
- Lack of financial resources
- Lack of sponsoring and partners for RAS ROBOT2.0

THREATS

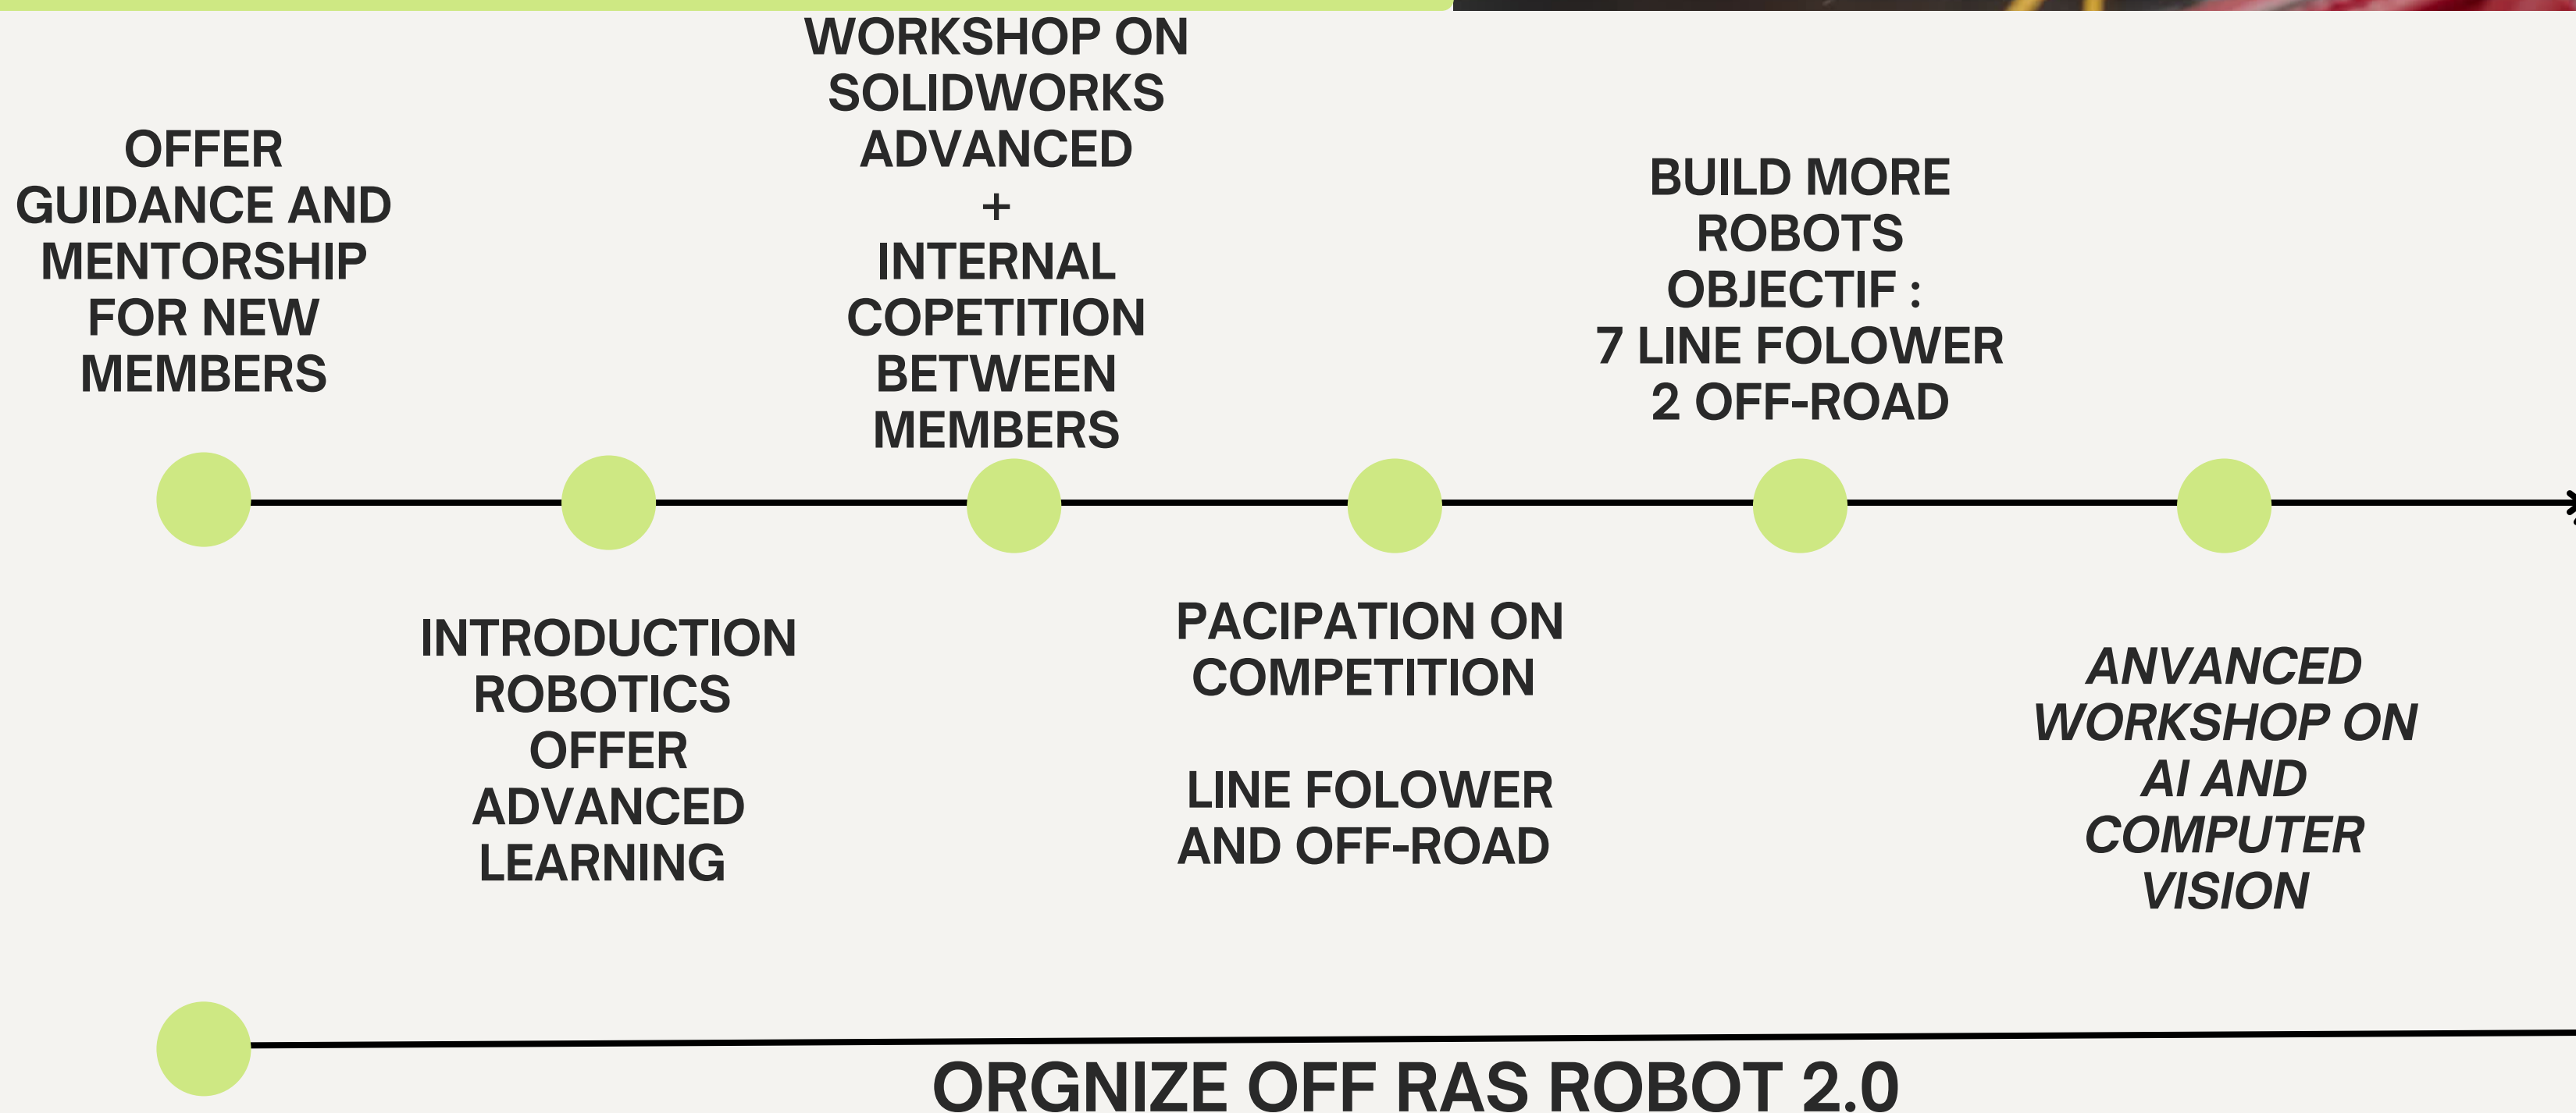

- Lack of sponsoring and partners for RAS ROBOT2.0
- Attention to the needs of members and find ways to engage them in the organization's activities and initiatives.

ROADMAP

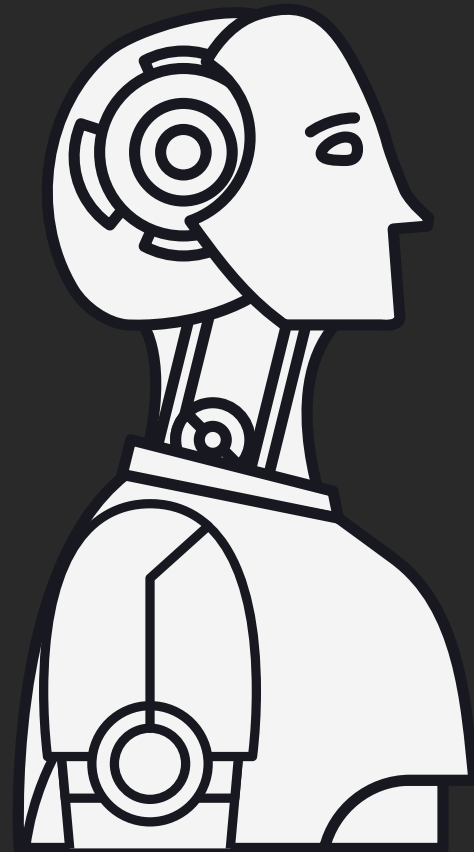

esprit
IEEE STUDENT BRANCH

VICE-CHAIRMAN

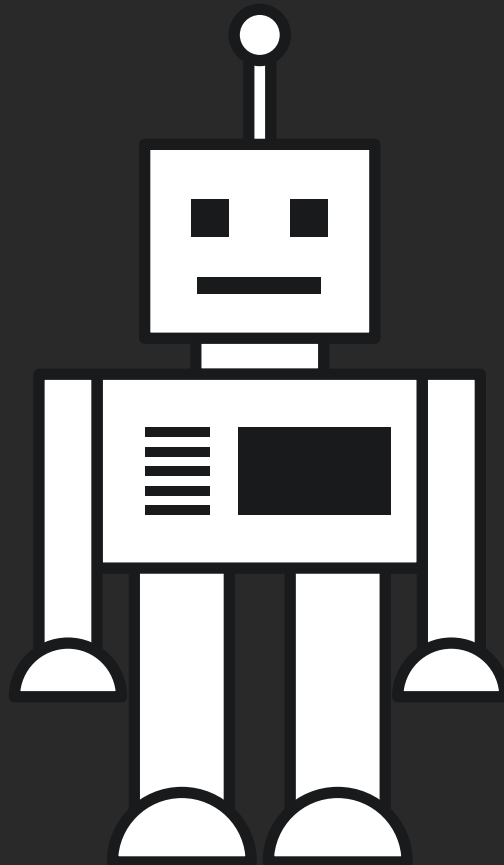

2023/2024

PLAN

- ➡ Help to achieve our goal by working with other members to develop and promote activities and programs that meet the needs and interests of members (workshops, conferences, and networking events)
- ➡ Increase the visibility and impact by developing partnerships with other organizations and associations that have similar goals or interests.
- ➡ Encouraging members to work together on new projects and initiatives.
- ➡ Internal Strategy plan : give score ,rating,observations for members and excutive board

IEEE RAS ESPRIT

PLAN

- ➡ Have many members good on mechanical conception (to have a good team work the the competition od RAS ROBOT 2.0)
- ➡ Efficient teamwork requires effective communication, mutual respect, and a willingness

CONCLUSION

- ➔ Define my goals
- ➔ Develop a plan
- ➔ Take action
- ➔ Monitor progress

FINALLY, IEEE RAS ESPRIT IS LIKE A FAMILY TO ME, AND I AM COMMITTED TO GIVING MY ALL TO CONTRIBUTE TO ITS GROWTH AND SUCCESS. I WILL SHARE ALL OF MY KNOWLEDGE, SKILLS, AND ABILITIES TO SUPPORT MEMBERS.

THANK YOU FOR YOUR ATTENTION
